UNIVERSITY RULE

24.01.06.M1  Campus Programs for Minors (CPM)

Approved August 10, 2017
Next Scheduled Review: August 10, 2022

Rule Statement

The following rule outlines the requirements for programs for minors sponsored by Texas A&M University (TAMU), Professional Schools, branch campuses in Galveston and Qatar, and programs for minors operated by Texas A&M University, and/or third party programs for minors using Texas A&M University property.

Reason for Rule

To provide a safe environment and meaningful experience for participants of campus programs for minors (CPMs) that not only meet the minimum legal requirements but also reflect the University’s values, this rule outlines the requirements for holding programs for minors sponsored by Texas A&M University, Professional Schools, branch campuses in Galveston and Qatar, as well as Third Party programs for minors that are operated on Texas A&M University property.

The level of care and supervision appropriate for an enrolled student at the University is not necessarily the same as that which is appropriate for a CPM participant, though the oldest participants are sometimes older than the youngest of our enrolled students. It is imperative that participants be overseen in a fashion that is appropriate and intended to keep them healthy and safe while visiting the University.

Campus programs for minors provide the following benefits for the University: 1) CPMs attract many young people to the University, many of whom will be highly qualified for future admission, 2) outreach efforts (particularly those aimed at youth), 3) TAMU faculty/staff/student involvement in these efforts can be promoted, and 4) the reputation of Texas A&M University is enhanced by effective programs.¹

Definitions

¹ Adapted from Auburn University’s Summer Camp Policy Manual, https://sites.auburn.edu/admin/universitypolicies/Policies/AuburnUniversitySummerCampPolicies.pdf
Campus Programs for Minors (CPM) – Programs for minors sponsored and/or operated by a University department, college, administrative unit, Professional School, branch campus, recognized student organization, and/or third party where care, custody, and/or control of the minor(s) is the University’s and/or third party’s responsibility and that are held for more than two consecutive days with the same group of minors, regardless of whether an overnight stay is involved. A program that may have minor(s) involvement ancillary to the intended purpose of the activity and is not specifically for minors does not fall under this rule.

These programs may include, but are not limited to, programs which are day-only, overnight, on campus, and/or off campus. These programs may or may not collect fees from participants. CPMs also include programs in University labs. A CPM does not include kindergarten through 12th grade groups visiting campus for the purpose of conducting campus tours or solely as patrons of entertainment events.

Third Party CPM – Third party programs for minors include programs of an individual or entity that is not affiliated with Texas A&M University that have a participant group made up, in whole or in part, of individuals under the age of 18. These programs complete all or part of their educational and/or business purpose on Texas A&M property, and the third party individual or entity assumes care, custody, and/or control of the minors. These programs may or may not collect fees from participants.

CPM Sponsor (Program Sponsor) – A CPM Sponsor is the individual representing the department, college, administrative unit, Professional School, branch campus, or recognized student organization charged with the direction or operation of the CPM. In the case of third party CPM, this person serves as the liaison between TAMU and the third party CPM. The CPM Sponsor must be a Texas A&M University, Professional School, or branch campus full-time employee and is responsible for completing the CPM application.

CPM Director (Program Director) – A CPM Director is the individual on-site in-charge of the program operations, staff, or volunteers. This individual represents the sponsoring department, college, administrative unit, Professional School, branch campus, recognized student organization, or third party charged with the direction or operation of the CPM. A CPM Director’s goal is to further the mission of the CPM through the development and management of program, human resource, financial, marketing, and strategic operations.

CPM Staff – CPM Staff consists of authorized adults who exercise care, custody, and/or control of minors in program activities. This includes but is not limited to faculty, staff, volunteers, coaches, instructors, graduate/undergraduate students, etc. CPM Staff are responsible for planning, teaching, coordinating, and carrying out activities and the supervision of CPM participants.

CPM Participant – A CPM Participant is an individual under the age of 18 attending a University-sponsored CPM or a third party CPM who is not enrolled as a student of Texas A&M University.
Medication – Medication refers to any prescription medication or over-the-counter medication, excluding topical ointments such as sunscreen.

Secondary Sponsor – For recognized student organizations, this individual serves as the Primary Advisor and is responsible for reviewing the CPM in fulfillment of that role.

Specialized medical assistance – Specialized medical assistance is any medical assistance other than medication. Examples include, but are not limited to, assisting with an apnea monitor, protective helmet, or leg brace.

Sponsoring Dean – The individual who serves as the Dean (or Associate Dean) of an academic college or branch campus, or Vice President/Provost (or Associate or similar level of authority) for all other programs who provides the final approval or denial of CPM.

Sponsoring Department Representative – The individual who serves as the Department Head of the academic unit or Director of an administrative unit who is responsible for reviewing the CPM on behalf of the department with a specialized lens for their respective area of experience, local laws, professional practices, and/or cultural mores.

Appropriate University Office (AUO) – Sponsoring Dean, Sponsoring Department Representative, Secondary Sponsors, the Department of Student Activities, and branch campus designee with similar level of authority

Incidents and Accidents – Incidents and accidents may involve minor to major physical injuries of participants and/or CPM Staff, behavioral issues among participants, counselors, visitors, hospital/doctor visits, or over-the-counter medication disbursement.

**Official Rule**

1. **GENERAL**

1.1. The provisions of this rule apply to campus programs for minors (CPM). All CPM held on Texas A&M University property or utilizing the University’s name or resources in any way, must operate under the administrative purview of a University department, college, Professional School, branch campus, or University recognized student organization.

1.2. A dedicated Program Sponsor and Program Director (may be the same person, with the exception of third-party programs) must be appointed for each Campus Program for Minors, whether the program is sponsored by the University or third-party using University facilities.

1.3. A copy of the participant roster and CPM Staff roster, including names and contact information, must be maintained for five years in an encrypted/password protected digital format with the CPM.
1.4. Applications for Campus Programs for Minors (CPM) undergo a review process facilitated by the Department of Student Activities [Click here to access the CPM Application]. An application should be submitted by the CPM Sponsor, reviewed by the Secondary Sponsor (if needed), and reviewed/approved by the Sponsoring Department Representative at least 60 days prior to the start of the requested program. Applications may not be reviewed for compliance and the required insurance may not be secured by the Department of Student Activities if received after the 60-day deadline. Designated individuals at all levels of review are responsible for conducting risk assessments.

1.4.1. CPM Applications must include a copy of the detailed itinerary including locations, activity descriptions, and designated free time(s). Applications submitted without itineraries will not be considered complete and will be sent back to the CPM Sponsor for updating. This will cause the required 60-day review period to start over.

2. APPROVAL

2.1. All CPM Applications must be reviewed at all levels and approved by the respective Sponsoring Dean before program activities occur. Applications for CPM shall be routed to the Department of Student Activities for a review of compliance with the provisions of University rules and standard administrative procedures, and as necessary, the procurement of required insurance coverage. The Director of Student Activities or his/her designee shall certify this review prior to routing the application for final approval, whether or not s/he supports final approval. The President has delegated authority for the approval of CPMs to the respective Sponsoring Deans as designated below:

2.1.1. CPM sponsored through a University academic college or branch campus shall be approved by the dean or designee at the Associate Dean level.

2.1.2. CPM sponsored through the University Athletics Department shall be approved by the University Director of Athletics or designee at the Associate Director level.

2.1.3. CPM sponsored through a unit under the Division of Academic Affairs which does not report through a dean shall be approved by the appropriate Associate Vice President/Provost or designee.

2.1.4. CPM sponsored through a unit of the Division of Student Affairs shall be approved by an Associate Vice President of Student Affairs.

2.1.4.1. Applications for CPM sponsored by a University recognized student organization shall be submitted for approval through the advisor of the student organization. These applications must be submitted for
review to the Director of the Department of Student Activities, or
designee at the Associate Director level. The Department of Student
Activities shall route the application for approval by an Associate
Vice President for Student Affairs.

2.1.5. All other CPM shall be approved through the appropriate Associate Vice
President or branch designee with similar level of authority.

3. BACKGROUND SCREENING

3.1. Criminal conviction and sex offender background checks are required annually
(within previous 365 days before CPM) of CPM Staff (all authorized adults who
exercise care, custody, and/or control of minors in program activities. This includes
but is not limited to faculty, staff, volunteers, coaches, instructors,
graduate/undergraduate students, etc.) Documentation that a search was conducted
shall be maintained for a period of five years. [Criminal Background Check Request
Form]

3.1.1. TAMU sponsored CPM must complete the TAMU Human Resources
background check for each authorized adult.

3.1.2. The Criminal Background Check Request Form must be submitted to
TAMU Human Resources no later than 10 business days before the start of
the CPM.

3.1.3. Contracts with third party CPM shall include, as a provision of the contract,
the requirement that staff or volunteers affiliated with the CPM will have
completed background screening within the previous year (365 days)
utilizing both a National criminal history and sex offender registration
databases. In this case, the background screening process selected for use
by the third party CPM must be acceptable to the individual with designated
approval authority (i.e. CPM Sponsor, Sponsoring Dean). The designated
CPM Sponsor is responsible for verifying this information.

3.2. The criminal convictions/deferred adjudications including, but not limited to, those
listed below automatically disqualify a person from being a campus program for
minors staff member:

3.2.1. Felony or misdemeanor under Texas Penal Code
- Title 5 (Offenses Against the Person);
- Title 6 (Offenses Against the Family);
- Chapter 29 (Robbery) of Title 7;
- Chapter 43 (Public Indecency) or §42.072 (Stalking) of Title 9;
- §15.031 (Criminal Solicitation of a Minor) of Title 4;

3.3 The criminal convictions/deferred adjudications including, but not limited to, those listed below may disqualify a person from being a campus program for minors staff member:

3.3.1 Misdemeanor or felony committed within the past ten years under Texas Penal Code, or

- Chapter 49 (Intoxication and Alcoholic Beverage Offenses) of Title 10, or
- Any like offense under the law of another state, federal law, international law, or the laws of another country; or

(b) Any other felony under the Texas Penal Code or any like offense under the law of another state, federal law, international law, or the laws of another country, or

(c) Felony or misdemeanor under the Texas Health and Safety Code Chapter 481 (Texas Controlled Substances Act), or any like offense under the law of another state, federal law, international law, or the laws of another country.

3.4 Should a criminal conviction and/or sex offender background check return an offense potentially disqualifying a person from being employed or assigned as a CPM Staff member, the Department of Student Activities will develop a recommendation that will be forwarded to the Office of General Counsel (OGC) for legal review. OGC shall provide a written legal sufficiency review of the recommended approval or rejection of the employment or assignment of the person as a CPM Staff member, and the Department of Student Activities will notify the CPM Sponsor of the Department’s final decision.

3.5 In addition to reporting requirements under TAMU Rule 33.99.14.M1, all CPM Staff members must inform the Department of Student Activities within 24 hours of any criminal arrests, criminal charges, or criminal convictions, excluding misdemeanor traffic offenses punishable only by fine that occur after the approval of this rule. If circumstances prevent this, as soon as the situation allows notification the applicant or employee must provide both explanation for the delay as well as notification of the criminal arrest or charge or criminal conviction to the Department of Student Activities.

4. TRAINING

CPM Sponsors are responsible for ensuring that all CPM Staff (authorized adults who exercise care, custody, and/or control of minors in program activities, including but not limited to faculty, staff, volunteers, coaches, instructors, graduate/undergraduate students, etc.) complete all required and necessary training prior to having contact with CPM participants.

4.1.2 CPM Staff working third party campus programs for minors using TAMU facilities may substitute the TAMUS-approved training course with an approved course as listed with the Texas Department of State Health Services. The designated CPM Sponsor is responsible for verifying this information.

4.1.3 A certificate of completion shall be kept on file by the CPM Sponsor for two years.

4.2 All TAMU and third party Program Sponsors (and Program Directors, in the case of third party programs) must complete annual compliance training for conducting programs for minors within previous 365 days before CPM.

5. JOB DUTY DESCRIPTIONS

5.1 All CPMs must create job duty descriptions for each position involved in the operation of programs for minors.

5.2 CPM Staff must perform duties and responsibilities within the role and scope of their job duty descriptions.

CPMs must provide ample time for participants to disclose any accommodations they may need during their time at the CPM. CPM programs must communicate contact information for a specific individual responsible for the identification of reasonable accommodations.

6.10 Medication Disbursement

This form expires one year after its original date. The participant’s parent or guardian may not authorize administering medication in excess of the medication’s label instructions or the directions of the child’s health-care professional. Parent or guardian authorization is not required for administering a medication to a participant in a medical emergency to prevent the death or serious bodily injury of the participant, provided that the medication is administered as prescribed, directed, or intended.

6.10.1.1 If the CPM chooses not to administer any medication, parents or guardians must be notified prior to the participant’s enrollment in the program.

6.10.1.2 CPM Participants who are 15 years of age and older are permitted to be responsible for their own medication, however, consent must be provided by the parent/guardian of the participant using the Permission for Self-Medication Form.

6.10.2 Medication given must be given from the original container to the individual to whom the medication was prescribed within the expiration date and documented using the Authorization for Dispensing Medication Form.

6.10.3 When a CPM Staff member administers the medication they must record the full name of the CPM Participant, name of the medication, date and time medication was given and full name of staff or volunteer that administered the medication.

6.10.4 If a CPM Participant requires specialized medical assistance, then a CPM staff member is required to provide the specialized medical assistance as recommended or ordered by a health-care professional. If the CPM is provided with a written copy of the health-care professional’s recommendations or orders, the CPM must maintain this written information in the participant’s record for a least five years after the program date. Retention may be longer if advised by Insurance Services.

6.10.5 If medication will be dispensed by the CPM, all medication must be stored:
- out of reach of all participants,

8. REPORTING INCIDENTS OR ACCIDENTS

8.1 Incidents and accidents may involve minor to major physical injuries of CPM Participants and/or CPM Staff, behavioral issues among participants, CPM staff, or visitors, hospital/doctor visits, or over-the-counter medication disbursement. Incident Reports shall be submitted to the Department of Student Activities concurrently with all AUO within 24 hours following the incident by the CPM Sponsor or his/her designee using the online Campus Programs for Minors Incident Report Form to report an incident or accident which occurs in relation to any CPM.

9.4 The CPM Sponsor is responsible for ensuring that a roster that lists all CPM Participants and CPM Staff for the CPM is submitted to the Department of Student Activities no later than 5 business days after the conclusion of the CPM. Once the CPM roster has been submitted, an invoice will be created and sent to the CPM.
