2.1 In accordance with System Regulation 15.01.03 and federal law, the COI Official will review all Financial Disclosure Statements by Investigators and determine whether any disclosed SFI is related to the Investigator’s Research or Research Activities and whether a Financial Conflict of Interest (FCOI) exists. The COI Official may appoint a Conflict of Interest Review Committee (CIRC) to assist in the determination of whether a FCOI exists. If the COI Official appoints a CIRC, the CIRC must include an Investigator outside the disclosing Investigator’s unit and at least one research administrator. The COI Official and/or CIRC may involve the Investigator and unit head(s) to assist in determining whether an SFI is related to the Investigator’s Research or Research Activities. If a FCOI exists, the COI Official will develop a management plan, as described in System Regulation 15.01.03, in consultation with the entities noted above, specifying the actions that must be taken to manage, reduce or eliminate the FCOI. All FCOIs identified by the COI Official must be satisfactorily managed, reduced or eliminated prior to the expenditure of any sponsored research funds.

2.2 The System Ethics and Compliance Officer and/or the Office of General Counsel may be consulted as appropriate.

3. MONITORING
