Standard Administrative Procedure Statement

This procedure is set forth to provide clarification on state law as it relates to retroactive pay increases.

Procedure and Responsibilities

The Office of General Counsel has researched retroactive pay increases and concluded that there is no authorization by the State of Texas to grant such increases based on:

   Article III, Section 53 of the Texas Constitution prohibits the payment of retroactive increases to State employees. It states there is no power to grant any extra compensation to an individual after the service has been rendered.

Increases may be effective on the first day of the pay period in which all required approvals are completed.
