Standard Administrative Procedure Statement

Behavior that damages or destroys any University property may be cause for disciplinary and/or criminal action.

Official Procedure

1. PROHIBITED

- 1.1. It is prohibited to operate roller skates, rollerblades, skateboards, bicycles, and other wheeled forms of transportation in a manner that damages or defaces any University property. This includes, but is not limited to any use of such equipment on benches, banisters, railings, planters, fountains, retaining walls, steps of buildings, loading dock areas, curbs, and walls. Use of such devices is further prohibited in all University buildings and indoor and outdoor sports facilities, unless prior approval for such usage is granted by the Executive Vice President for Finance and Operations and CFO or designee.
- 1.2. Electric devices with installed or removable lithium batteries are not allowed to be used, stored, or charged in any university buildings or facilities due to the significant fire hazard posed by these devices. Wheelchairs and other power-driven mobility devices used by a person with a mobility disability are not within the scope of this procedure.
